

Be prepared for the unexpected.

Basic Accidental Death and Dismemberment insurance from New York Life Group Benefit Solutions.

Consider the effects a severe injury could have on your ability to work or complete daily tasks. Would your family be prepared if you needed ongoing care, rehabilitation or if you were to pass away as a result of a catastrophic injury?

Accidental Death and Dismemberment (AD&D) insurance from New York Life Group Benefit Solutions (NYL GBS) can help provide you and your family the financial protection and peace of mind at a time when you may need it most.

Why is AD&D insurance important?

Serious accidents can occur during the most common activities like working around the house or taking a family vacation. AD&D insurance from NYL GBS can help pay for the unexpected costs that may arise from a covered accident. It can help pay for:

Child care and education

Spouse job training

Rehabilitation or trauma counseling

Home alterations and vehicle modification

Who's eligible?

All active, Full-Time Employees of the Employer regularly working a minimum of 30 hours per week in the United States, who are citizens or permanent resident aliens of the United States.

How does it work?

- › If you are seriously injured or pass away from a covered accident, your beneficiaries will receive a set amount.
- › However, this coverage shouldn't be a replacement for life insurance or primary medical insurance as it provides accident-only coverage.
- › Depending on the severity of an injury, the plan may pay a percentage of the total benefit for a covered accident that doesn't lead to loss of life.
